dy. 9.4.24 dtd: 7th-11-2. dy 28.9.22

Strictly
if carried out, there will be no
confusion in the issue of Sanads
to the Nadipi Servants. The Parupatya
Servant gets his supply soon after
the Parupatya commences which is
generally in January, & so his second
year's supply comes in Early enough
before his parupatya closes, so that
he will have the full benefit
of his two years' supply & the
Amildar can do so in respect of such Servants.
So it does not seem necessary
to modify the order even as
regards the Nadipi Servants.

report dy 6.12.24, the supply
due to Palamu Servants has
gone over to Palamu Servants
the latter has to make good

9) The facts of the case are indicated below:—

The Paryaya or the change of Swamis of 8 maths at Udipi for worshipping Sri Krishna Devaru takes place once in 2 years in the month of January.

10) Prior to 1922, it was the custom for the Sandal of any year to be delivered only late in the year. Each Swamy got Sandal twice during the period of his Paryaya - once during the period of his Paryaya and a second time after he had vacated. (as he vacated in January and the Sandalwood was given in December of that year). As the Paryaya Swamy was not getting his supply in time during the second year, Govt order of 28th July 1922 was passed directing that the Sandal-wood should be delivered to Udipi maths just after the commencement of Paryaya in the case of Udipi. The first lot went to the predecessor of Sri Palimaru Swamy, and the 2nd went to Sri Palimaru Swamy. Sri Adamar Swamy who came to office in July 1924 applied for and got the Sandal in advance instead of Sri Palimaru Swamy.

2) From the Deputy Commissioner's and Puzrai Commissioner's Reports, it appears to me that they are under the idea that Sandalwood is gift to the Periyaya Swamy; but I am not aware of any Government Order to that effect. It is a gift to the Temple for use there. If the Mutt has managed without getting a year's supply and cannot prove that they had to buy from other sources to meet the demand, I do not see why the arrear supply should be made now. Further what is the periyayaswamy going to do with the supply if made now? He will probably sell it because he cannot make use of the whole quantity.

2) Under the circumstances, I am not in favour of considering the application.

Letter No.H.C.210/Rev.24-25 dated 7th April 1925 from the Deputy Commissioner, Shimoga District to the Mugral Commissioner in Mysore.

"In corwarding herewith, the records ending with the Shimoga ----- District forest officer's No.1151 dated the 14th February 1925, regarding the supply of sandalwood to the Udipi Matt, I have the honor to state -- than the facts of the case are clearly explained in this office reference dated 8th January 1925, to the District Forest officer, as per Government order No.454-65/Muz.740-21-2 dated the 28th July 1922, ~~xxxxxxxxx~~ sandalwood has to be supplied to the Udipi Matt just after the commencement of the Parvayam. In accordance with these instructions, the supply covered by Rahadari No.9 dated 20th March 1924, which was due to ---- Phalimar Matt, was got delivered to Adhmar Matt since the former was out of office then and the latter had come into office on 17th January 1924. The supply due for 17th January 1925 to 17 th January 1926, is now asked to be taken delivery of by the District Forest officer. If this ----- delivery is made to the Adhmar Matt now in office, it will have got the supply required for the year in advance and this would be quite in ---- ordance with the instructions conveyed in the aforesaid Government -

Government Order. On 17th January 1926, a new Matt will come into office and it will also get its supply just after the Paryayam. But in this arrangement, the one year's supply due to Phalimar Matt would not have been made. To give effect to the Government orders, it --- appears necessary to give one supply in advance. As things stand at present, if the supply now undertaken to be made in the District Forest officer's Pocket No.1151 dated the 14th February 1925, is delivered to t Adhmar Matt now in office and another supply at the ~~same~~ same time is made to Phalimar Matt to whom the second year's supply is due, things will adjust themselves. The next supply to be made will fall in Januar or February 1926 when the new Matt would have come into office just then

2. In these circumstances, I request that the sanction of Governme may kindly be obtained for one supply in advance, as detailed supra.

Secretary to the Government of
His Highness the Maharaja of Mysore,

Sir,

With reference to your letter No.1617/M.F.270-24-2 dated 9th May 1925 regarding the supply of sandalwood to the mathas at Udipi, I have the honor to submit herewith copy of letter H.C. No.290/24-25 dated 15th October 1925 explaining the circumstances under which one year's supply fell into arrears

2. From the enclosed records it will be seen that the Swamigalu of the Adhawar Matha who came to office in January 1924 has already got his two year's supply in March 1924 and February 1925 and that nothing more is due to him during the period of his Paryaya. The Swami next coming will receive his supply in 1926 just after the commencement of Paryaya and in 1928 one year before he vacates his office, and in this view things will adjust themselves and the -- directions of Government conveyed in order No.454-65/M.F.740-21-2 dated 28th July 1922 will have been fully given effect, if the -- payment of one year's arrears to the Palimaru Matha is sanctioned I solicit early orders of Government in the matter.

3. The file of vernacular papers is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

"with reference to your letter No.1215/24-25 dated the 9th July 1925 regarding the supply of sandalwood to the Udipi Mathas, have the honor to state that the supply for 1924-25 has not yet been made. There was no supply of any sandalwood to any of the Mathas in February 1925. The Adhamar Matha which is now in Offic so far as the institution of Sri Krishnadevar temple is concerned, was supplied with sandalwood in March 1924. A reference has been made to the District Forest Officer to supply the Sandalwood to the Adhamar Matha for 1924-25. This completes the two year's supply to this matha whose Pariyaya ends about the middle of January 1926 Both the supplies might be said to have been made in advance for the years concerned.

2. By the said arrangement the Phalimar Matt, whose Pariyaya lasted from 17-1-22 to 16-1-24 is due one year's supply of sandalwood. I might at once state that the change ordered in Government order No.454-65/Muz.740-21-2 dated the 28th July 1922 necessitates one more supply. The usual practice prior to the passing of the aforesaid Government order was, as reported by the Amildar in his report No.217 dated 6-12-12, to deliver the sandalwood late in the year. The year was then the official year but now it is the calendar year. As observed by the Amildar, according to the terms of the Government -- Order another lot should have been supplied in 1923 if the Swamis had to get sandal in advance as no supply was made in 1922. It is this omission which is now asked to be supplied. The details of the -- mathas which were supplied with the sandalwood mentioned in the statement furnished by the Forester, are given in para 2 of this office reference No.G1.815 dated 19-12-24 addressed to the District Forest Officer.

3./ The records are enclosed for reference.
